UTTARAKHAND RELIEF FUND

As Uttarakhand grapples with one of the worst affected natural disasters in its history and as the magnitude of tragedy continues to unfold, His Holiness Swami Ramdevji and His Holiness Acharya Balkrishnaji have issued an urgent appeal to the public for generous donations to support the victims who have suffered extensive devastation. Patanjali Yog Peeth Haridwar, India has taken an initiative of sending relief materials to all the people who are stranded without food, water and shelter.

The floods have shattered the infrastructure of Uttarakhand and thousands of people have died and property worth crores of rupees has been damaged. For survivors of the Uttarakhand floods, life is a different battle altogether. They may have escaped death, but the horror of witnessing the fierce calamity that claimed so many lives has left them in psychological trauma. Others are reporting with pneumonia, acute gastroenteritis, multiple fractures and kidney damage. At this moment in time, the affected people need help and support to survive and to rebuild their lives, homes and families. Patanjali Yog Peeth (UK) Trust appeals to all citizens of the UK to help the victims of the calamity, and actively participate to support them at this difficult time.
